

Geometric Series Wall Sconce

COZYEAZY.COM

SUPPORT@COZYEAZY.COM

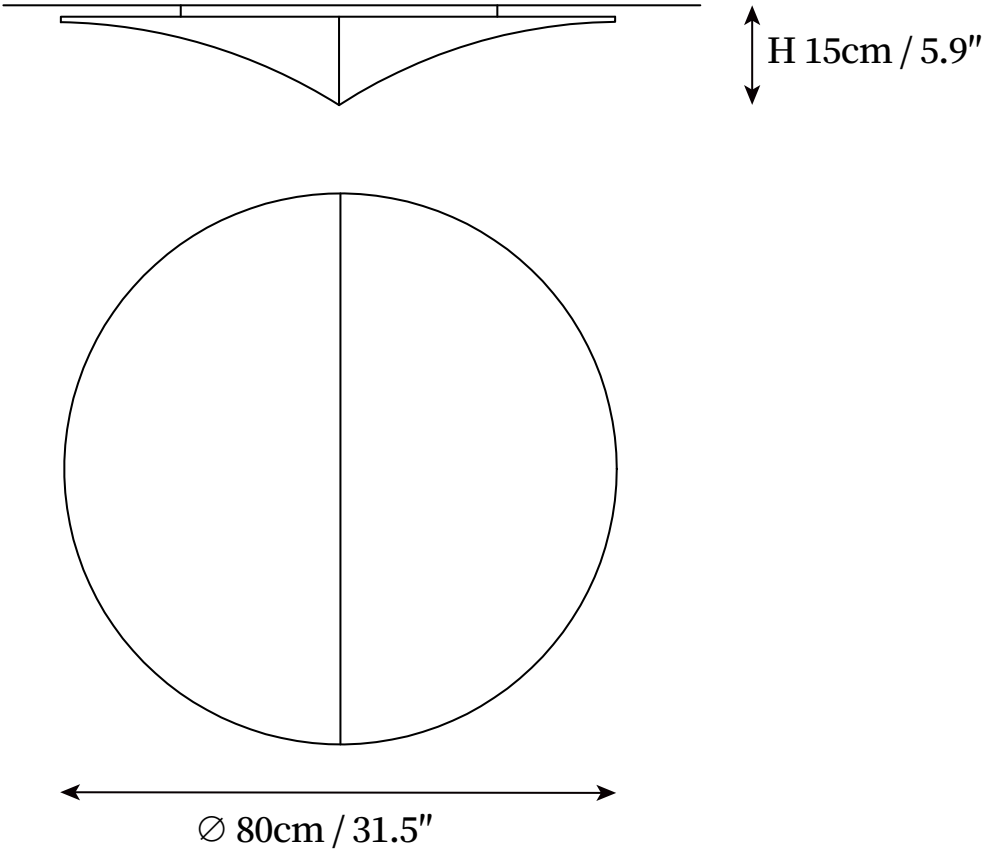

DESCRIPTION

The Geometric Series Wall Sconce is a modern lighting collection that showcases the seamless integration of metal and fabric across three distinct shapes: rectangle, square, and circle. Each piece is designed to capture the essence of geometric beauty, providing a soft, ambient glow that enhances any contemporary space. The square model, featured here, employs a gentle fabric stretched over a metallic frame, creating a delicate diffusion of light that accentuates the sconce's clean lines and minimalist aesthetic. The rectangle and circle variants follow the same design philosophy, offering versatility and consistency in style that can be mixed and matched or used singularly to complement the modern home or office. These sconces are more than just light fixtures; they are a tribute to form and function, providing a chic and sophisticated lighting solution that doubles as a work of art.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SKU	VKP-240227-001
Fixture Dimmensions	L 24.4" x H 24.4", L 39.4" x H 39.4"
Light source	Integrated LED
Wattage	~15W
Voltage	AC 110-240V
Dimming	Not supported
CRI(Ra)	90+CRI
Mounting	Hardwired.
LED Rated Life	30000 hours
Color Temperature	Warm Light (3000K), Neutral Light (4000K), Cool Light (6000K)
Control method	Compatible with common wall switches (not included).
Finishes	White.
Shade Details	White.
Material	Metal, Fabric.
