DESCRIPTION

The poetry of restoration and the magic of light fulfill his dream: to bring the moon into his home. In his Moon Chandelier, the designer captures the essence of the moon in the night sky, creating a poetic meditation on the luminous orb hovering above.

Pure Orb Lamp uses natural mulberry silk as a means to create the textured look of the lunar surface. This materiality provides shadows and highlights, giving minimal light richness and depth. It also acts as a diffuser, emitting a warm glow and bringing a dramatic presence to the home. The Moon Chandelier showcases artistic metaphors that bring the surreal beauty of the moon into the home in a dramatic way.
