DESCRIPTION

The Tropez pendant features a decidedly eye-catching aesthetic that brings to mind luxurious thoughts of placid sun hats and summer lotus leaves. The widescreen has a slight curve and ruffled edge that is reminiscent of the brim of a hat — a gorgeous and thoughtful detail that is also highly functional as it spreads and emits a soothing and harmonious light. The Tropez pendant lamp is well-suited to all types of indoor spaces. Plus, since it is made from resin, it is environmentally friendly, as well.
