DESCRIPTION

This pendant lamp, the 'Harvey Guzzini', was designed by vakkerlight and produced by factory in China's the 1970s. It is made of a methacrylate diffuser chrome-plated metal curved rods and a white reflector below. A light bulb below spreads the light in the reflector. The lights can work separately if the wiring in the house is provided for this purpose. This lamp is often used as a prop in films and series since the 70s. It is in original and good vintage condition.
