DESCRIPTION

The Dittisham wall lamps available in two colour finishes have a distinctly creative form, the curved tubular shape is cut away at the front displaying in the depth of the cylinder, leaving a comparatively small strip towards the bottom of the wall lamp to conceal the integral LED's. This modern concept is furthered on one piece by the combination of white and silver leaf colour finishes. The second colour option contrasts the outer anthracite finish with the gold leaf internal creating a slightly more urban, rustic effect.
