DESCRIPTION

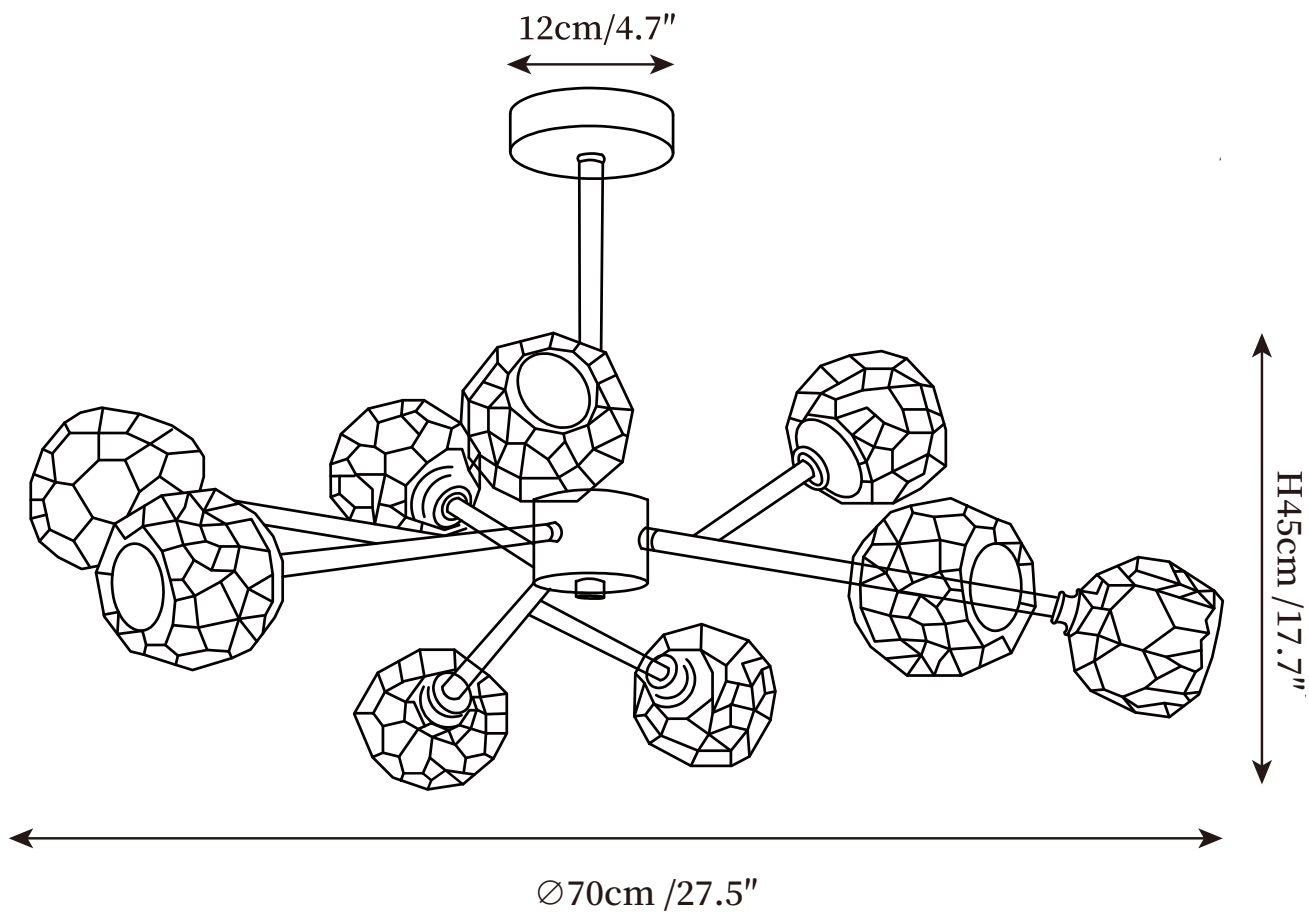

Crafted of solid brass and crystal glass, the sculptural fixture is a testament to the passion for luxe materials and superior craftsmanship. Evoking the minimalist spirit of 1960s design, each finely faceted sphere is ground and polished by hand to reflect and refract the light. Illuminate your interior with this modern chandelier.

This draws inspiration from the decorative lighting from the early 20th century. This striking design is sleek yet exquisitely detailed. Crafted from either nickel or antique brass, each stem is finished with clear-cut crystal glass that resembles modern flower designs.
