

Scantling Desk Lamp

COZYEAZY.COM

SUPPORT@COZYEAZY.COM

DESCRIPTION

The Scantling is built using a combination of wood and metal which gives the piece an almost graphic appearance. The fully rotating shade is held in place with arms and hinges that are assembled with such technical precision that the use of springs or counterweight are not required to keep the lamp in the selected position.

SPECIFICATION DETAILS

*For custom options, consult factory for details
