

Wall Light

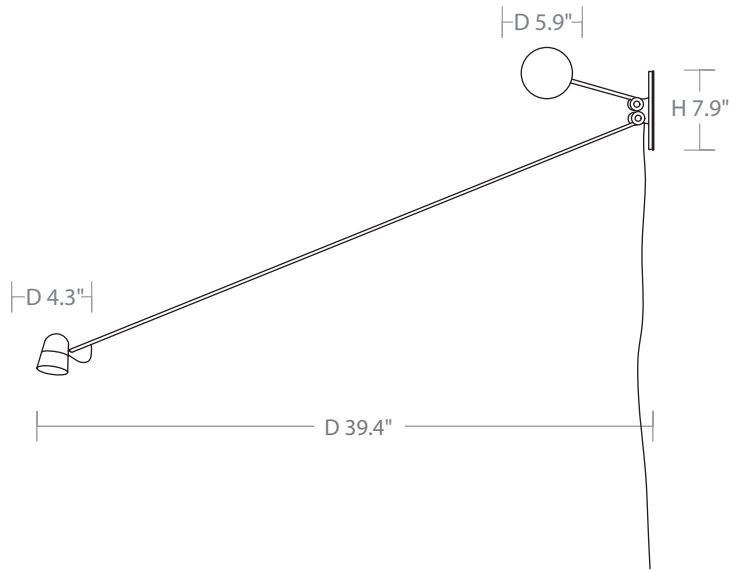

- Balanced Wall Light
- MHW-

MATERIALS

- Iron

PRODUCT DESCRIPTION

The Luceplan Balanced Wall Lamp defies gravity and looks elegant and beautiful. The lamp can vary greatly in the proper position and the body is very flexible. The arm of the lamp has several size options, thus reaching options for different rooms. The counterweight on the lamp makes up for the long arm and ensures the stability of the shade. The lamp is available in black and white and is composed of iron.
