MATERIALS

- Glass
- Iron
- Metal

PRODUCT DESCRIPTION

The piece appears both bold and light by pairing metal and acrylic. The outer metal structure gives the piece its sharp silhouette while the acrylic softens things up with its pleasant arch. This sense of refinement shows in the fine, near-disappearing quality of the wire suspension. The striations marking the acrylic present the LED light with a spacious and mellow quality. This long sweeping glow is ideal for the table setting.

SURFACE FINISH OPTIONS

- Gold
- Black
- Clear

CERTIFICATION

LIGHT SOURCE

Includes 15 watt Integrated LED lighting

MEASUREMENTS

- L31.5" x W4.7" x H7.9"
