PRODUCT DESCRIPTION

The Retro Petal Ceiling Light from Mooiehome captures the elegance of vintage floral design with a fresh, contemporary twist. Crafted from a graceful combination of metal and glass, this ceiling fixture features delicately molded glass petals that bloom outward from the center, diffusing light in a soft, enchanting glow. Its petal-like structure mimics the organic beauty of nature while the warm-toned metal base adds a touch of sophistication and stability. Ideal for entryways, hallways, or powder rooms, the Retro Petal Ceiling Light transforms even the simplest ceilings into focal points of charm and elegance.
