

Chandelier

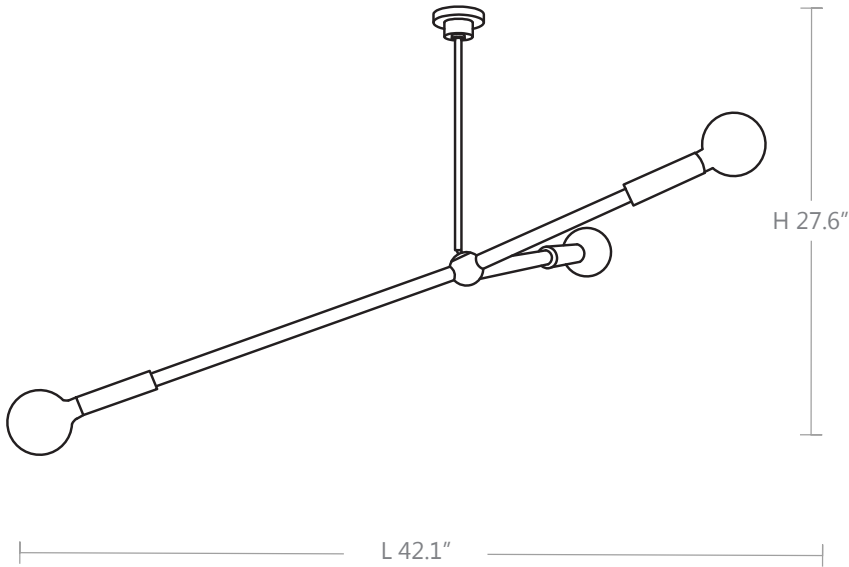

- Trion Chandelier
- MHC-

MATERIALS

- Brass

PRODUCT DESCRIPTION

Bold in form yet effortlessly minimal, the Trion Chandelier showcases modern geometry at its finest. Crafted from brass , its three arms extend from a central joint, each ending with an exposed bulb for a striking industrial-inspired glow. The clean, open structure makes it ideal for contemporary interiors, lofts, or kitchen islands where style and simplicity coexist. Trion is a celebration of balance, light, and sculptural elegance.

SURFACE FINISH OPTIONS

- Black
- Brass

CERTIFICATION

- Compliant with North America, Australia, Europe, and Middle East Certification.
