

Chandelier

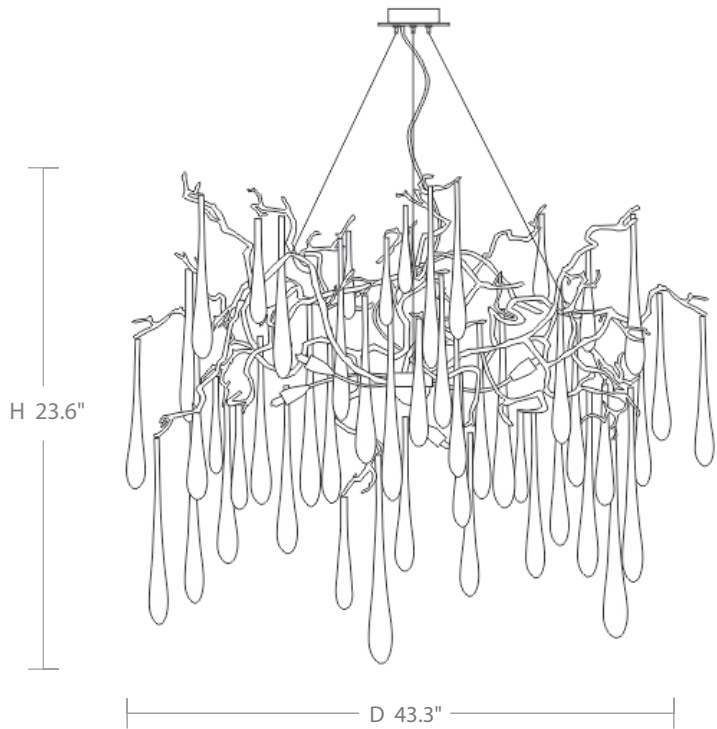

- Aqua Empire Chandelier D43.3"
- MHC-

MATERIALS

- Brass body
- Clear glass

PRODUCT DESCRIPTION

Inspired by winter water drops, both in its inspirational element and its intrinsic connection to our identity, it expresses a strong connection with our main source of inspiration - nature. The brass structure expands among the tangled branches, resulting in floating glass shards, a feature that gives an airy touch and a refined and elegant look to the concept, seen in the smallest details of the glass drops.
